

SOUTH CUMBRIA MUSICAL FESTIVAL

New classes for 2018

New brass classes for 2018

We are introducing new brass classes for 2018 – these are 'come and have a go' non-competitive classes for brass players of all standards up to school year 13.

These will be a great way to gain platform experience and receive expert advice on your playing from a brass specialist without having to compete.

Everyone who takes part will receive a certificate and a comment sheet.

Details are at the end of the Brass Classes.

String classes

Please note that you may enter the string classes playing any acoustic stringed instrument, including acoustic guitar, harp or mandolin.

We continue to encourage players of the bowed string instruments to enter the classes, but it would be wonderful to hear a greater variety of stringed instruments.
