

## Please help the Festival by becoming a Patron, Subscriber or Sponsor

The South Cumbria Musical Festival aims to provide the best possible platform for all performers and high levels of artistic achievement are often reached, giving pleasure, fulfilment and pride. The Committee are extremely grateful to everyone who financially supports these objectives and appreciates their generosity. As a charity, SCMF exists entirely on donations. Please help the Festival to maintain the quality of facilities available to the performers by becoming a Patron, Subscriber and/or a Class Sponsor.

### **Patrons:**

usually give a minimum of £40 and receive free admission to all sessions of the Festival, a ticket for the Gala Concert, information of our social events and voting rights at the AGM.

### **Subscribers:**

for the minimum amount of £15 all subscribers receive free entry to morning and afternoon sessions of the Festival and voting rights at the AGM.

### **Class Sponsors:**

for a set amount of £5 per class individuals/organisations are highlighted in the Festival programme, against each class sponsored.

### **Donations:**

the Festival Committee thank all organisations and individuals who help fund this worthwhile event.

## Can you spare a couple of hours to help us?

---

We really do need volunteers to help during the time of the Festival. There are many jobs you can help with such as stewarding and timekeeping. No task is too demanding, and training will be given.

Generally our helpers find things so interesting they stay for a full session or more. If you stay for two consecutive sessions we provide you with a meal and there are always drinks available.

We'd be delighted to welcome you at times suitable for you.

If you can help us, please complete the form below and return it to our Chief Steward, who will then contact you with further details:
